#### **About the Grocery Manufacturers Association**

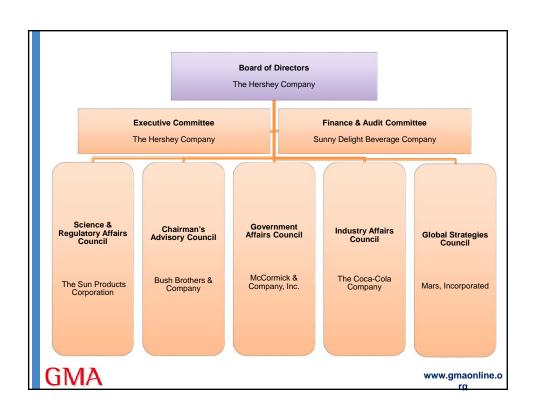

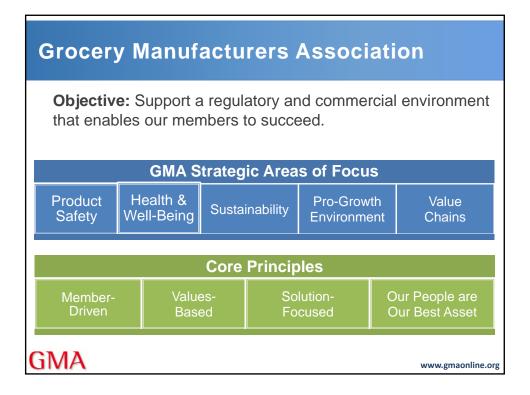

Founded in 1908 and based in Washington, DC, GMA is an active, vocal advocate for its member companies and a trusted source of information about the industry and the products consumers rely on and enjoy every day.

The association and its member companies are committed to meeting the needs of consumers through product innovation, responsible business practices, and effective public policy solutions developed through a genuine partnership with policymakers and other stakeholders.

**GMA** 

#### **Industry Role in Policy Development**

- Share scientific data and expertise to inform policy positions.
- Provide information on the practical business implications of legislation and regulation.
- Convey potential impact on trade including consequences for global value chains.

**GMA** 

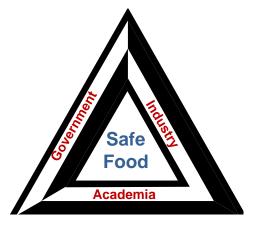

#### **How GMA Engages**

- With the U.S. government:
   Input to U.S. agencies, embassies, Congress, regulators
- Within/across industry:
   Coordination with other U.S. associations (including through FICC) and counterpart associations overseas
- With international organizations: Including Codex via ICGMA
