Agenda Item: 2.1.6

**2016 APEC Economy Progress in Implementing
Their Commitments to Reduce Tariffs on the 54
Products in the APEC List of Environmental Goods
to Five Per Cent or Less by the End of 2015**

Purpose: Consideration
Submitted by: CTI Chair

**Concluding Senior Officials' Meeting
Lima, Peru
14-15 November 2016**

**2016 APEC Economy Progress in Implementing their Commitments to Reduce Tariffs
on the 54 products in the APEC List of Environmental Goods to five per cent or less by the end of 2015**

APEC Economy	Submission Date of Detailed Implementation Plan and Date of Subsequent Revision/s	Date of implementation of tariff reductions	Contact Officer(s) for further information	Legislative Authority used to enact implementation
Australia	30 April 2015	Already implemented	tarifftradepolicy@industry.gov.au	In Australia, rates of customs duty and the structure of the tariff are established under the Customs Tariff Act 1995. Reductions in customs duty and restructuring of the nomenclature may be implemented through amendment to the Customs Tariff Act 1995.
Brunei Darussalam	11 June 2015	Already implemented	<p>Ms Lee Kok Ting Second Secretary Department of Economic Cooperation</p> <p>Ministry of Foreign Affairs and Trade +673 2383374 ext 1889/ +673 8831188 kokting.lee@mfa.gov.bn</p>	Ministry of Finance, Brunei Darussalam
Canada	8 May 2015	Already implemented.	<p>Mr. Jean-Louis Wallace Deputy Director, APEC Unit South, Southeast Asia & Oceania Commercial Relations (APEC)</p> <p>Global Affairs Canada Tel: + (343) 203-2360 Jean-louis.wallace@international.gc.ca</p>	In Canada, rates of import customs duty and the structure of the national tariff nomenclature are established under the Customs Tariff statute. Section 14 of the statute provides for the modification, by regulation, of the schedule of tariff items and rates of customs duty to give effect to an agreement relating to international trade. The regulatory vehicle is

				<p>an Order in Council that is considered by Cabinet and the Governor General. Approved regulations are published in the Canada Gazette.</p> <p>Most of Canada's applied MFN tariffs on the goods contained in the list announced by APEC Leaders in September 2012 were at 5% or less. Of three tariff items with applied MFN tariffs exceeding 5%, one tariff item was inconsistent with the ex-outs for that subheading, and two tariff items were covered by the initiative and required reductions in their applied MFN tariffs.</p> <p>These tariffs were reduced on 8 March 2013. The Order in Council that implemented that reduction was published in the Canada Gazette on 27 March 2013:</p> <p>http://www.gazette.gc.ca/rp-pr/p2/2013/2013-03-27/html/sor-dors43-eng.html</p>

APEC Economy	Submission Date of Detailed Implementation Plan and Date of Subsequent Revision/s	Date of implementation of tariff reductions	Contact Officer(s) for further information	Legislative Authority used to enact implementation
China	13 November 2015	1 January 2016	<p>Mr Wang Chunyang Department of International Trade & Economic Affairs Ministry of Commerce The People's Republic of China</p> <p>Tel: 86-10-65197765 Fax: 86-10-65197980 wangchunyang@mofcom.gov.cn</p>	<p>The State Council has approved the adjustment of related tariff lines in accordance with China's detailed implementation plan and the reduction has entered into force as of January 1, 2016. Details can be found on the official website of Ministry of Finance of China (www.mof.gov.cn)</p>
Chile	5 September 2015	In implementation	<p>Ms Krasna Bobenrieth Head of the APEC Department General Directorate for International Economic Affairs Ministry of Foreign Affairs</p> <p>Tel: +56228275550 kbobenrieth@direcon.gob.cl</p>	<p>A bill to implement a flat rate of 5% tariff to the list of 54 goods has been presented to Congress. Currently that bill is in the lower chamber, within the Finance Committee.</p>
Hong Kong, China	31 March 2015	Already implemented	<p>Ms Monica Chen Assistant Director-General of the Trade and Industry Department Hong Kong, China</p> <p>Tel : +852 2398 5305 monicachen@tid.gov.hk</p>	<p>Hong Kong, China applies zero tariff on all imports under the 54 HS subheadings (six-digit) in APEC's Environmental Goods (EG) initiative. As such, no changes are required in Hong Kong, China's MFN tariffs to meet the APEC EG commitments.</p>

APEC Economy	Submission Date of Detailed Implementation Plan and Date of Subsequent Revision/s	Date of implementation of tariff reductions	Contact Officer(s) for further information	Legislative Authority used to enact implementation
Indonesia	24 February 2016	We expected to be fully comply to the APEC EGs commitments on 2021.	<p>Directorate APEC & International Organization Negotiation Ministry of Trade ctiindonesia@gmail.com</p> <p>Directorate International Industrial Market Access Ministry of Industry regional2.kii@gmail.com</p>	<ol style="list-style-type: none"> 1. In light of APEC Leaders' Commitment in 2012 to reduce applied tariff rates to 5% or less by the end of 2015, Indonesia has now imposed a 0-5% MFN tariffs on 46 subheadings (HS 6) of the APEC Environmental Goods List. As established under Law on Customs No. 10/1995 on Section III and amended by Law on Customs No. 17/2006, the rates of Indonesia's import tariff duty are to be regulated under a derivative legal instruments, such as ministerial regulation published by the related ministries. While, unilateral liberalization is subject to domestic stakeholders' approval. 2. Indonesia is now in process of reducing tariffs for the tariff lines (HS10) that has not been complied. Taking into account the economic circumstances, 3 of them have been reduced to 5%, while the other 13 will have the tariffs reduced gradually year by year. These reduction scheme has been regulated in a Minister of Finance Regulation No. 134/PMK.010/2016. 3. Meanwhile, importers of the remaining 8

Mexico	11 November 2015	Already Implemented. (January 6, 2016)	Ms Monica Lopez monica.lopez@economia.gob.mx	<p>Mexico applies 5% or zero tariff on several imports from APEC environmental goods list through its current Mexican General Import and Export Customs Tariff Law (Ley de los Impuestos Generales de Importación y Exportación, LIGIE). In order to fully implement commitments on the EGs list, in line with the Mexican legislation, particularly with the LIGIE, Mexico published the “Decree which modifies the LIGIE” providing amendments to the Law that create certain tariff codes for environmental goods; modify certain descriptions to classify specific environmental goods; and modify and reduce the tariff duty to a level of 5%. The Decree was published in the Official Gazette on January 6, 2016.</p> <p>Through this Decree Mexico is fully implementing the environmental goods list.</p>

Papua New Guinea	01 May 2015	By the end of 2015.	Ms Julie Wapo Juliewapo22@gmail.com	<p>Papua New Guinea's tariff is governed under the PNG Customs Tariff Act which is administered by the PNG Customs Service. PNG is in its final phase of tariff reduction which commenced in 2006 and will end in 2018. Any further reductions to the tariff is the responsibility of the PNG Treasury Department.</p> <p>Out of the 54 goods on the APEC EGS List 53 are already at zero tariff and one (4418.79 Bamboo flooring) is currently at 15% by 2018 the tariff will reduce to 10%.</p> <p>All changes to the tariff is normally done through the annual budget sessions of the PNG Parliament in November. PNG intends to reduce the tariff rate on bamboo floorings to 5% by creating an additional tariff line specifically for bamboo floorings hopefully by November 2015 through our annual budget session.</p>

Chinese Taipei	19 May 2016	Already implemented	Hung-lin, Yuan hlyuan@trade.gov.tw ; ctboft@gmail.com	<p>In Chinese Taipei, the process of reducing tariff rates involves policy approval by the Customs Tariff Commission under the Ministry of Finance, whose determination is submitted to the Ministry of Finance and subsequently referred to the Executive Yuan for approval. In case the Executive Yuan approves the draft amendments, they are then referred to the Legislative Yuan for deliberation. The office of the president promulgates the customs import tariff amendments shortly after they are passed by the Legislative Yuan.</p> <p>The original APEC EGs implementation plan of 4 tariff lines took effect on 9 December, 2015. The additional EGs implementation plan of 2 tariff lines was approved by the Legislative Yuan on April 26 and took effect on <u>19 May, 2016</u>.</p>
Thailand	13 May 2016	The tariffs on 51 products out of 54 products in APEC EGs list have been reduced to 5% or less. For the remaining 3 APEC EGs, which are 9032.89, 9032.90 and	Ms Siritala Saengduang Fiscal Policy Office siritala@fpo.go.th	The tariff system of Thailand is under the Customs Tariff Decree B.E. 2530 (A.D. 1987). With the Cabinet's approval, statutory rates can be adjusted, i.e. rates can be reduced or a special duty can be imposed (but not more than 50 percent of the statutory rate). The general rates can be applied to imports from all countries (WTO and non-WTO)

APEC Economy	Submission Date of Detailed Implementation Plan and Date of Subsequent Revision/s	Date of implementation of tariff reductions	Contact Officer(s) for further information	Legislative Authority used to enact implementation
		9033.00, they have been reduced to 7%.		<p>members). Decreasing or increasing general tariffs requires an amendment to Section 12 of the Customs Tariff Decree B.E. 2530 (A.D. 1987).</p> <p>The notification which reduce EGs product's tariff is The Notification of the Ministry of Finance Re: Reduction and Exemption of Customs Duty According to Section 12 of the Customs Tariff Decree B.E. 2530 (No.14) 13 May 2016.</p>
