2018.6.10

(Guo Fa (2018)No. 19)

**3** FDI policy documents published since **2017**

**Policy Measures in 6 areas**

02 |

# 6 Measures for Promoting FDI

# 6 Measures for Promoting FDI

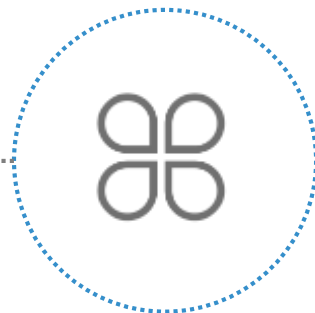

**Negative List**

**Deregulation**

**Investment  
Protection**

**Service  
Improvement**

**Opening  
Platforms**

**Regional  
Opening-up**

# 01 Promoting Investment Liberalization with the Negative List at the Core

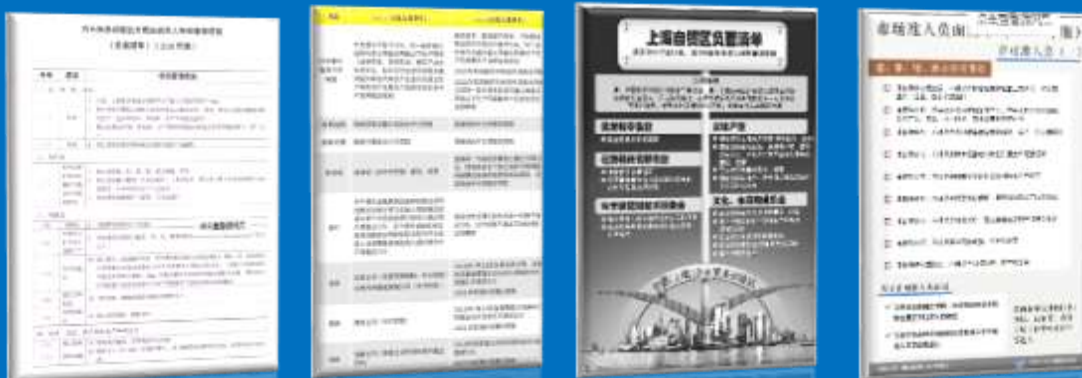

Strong further opening-up efforts

Enhanced transparency and alignment

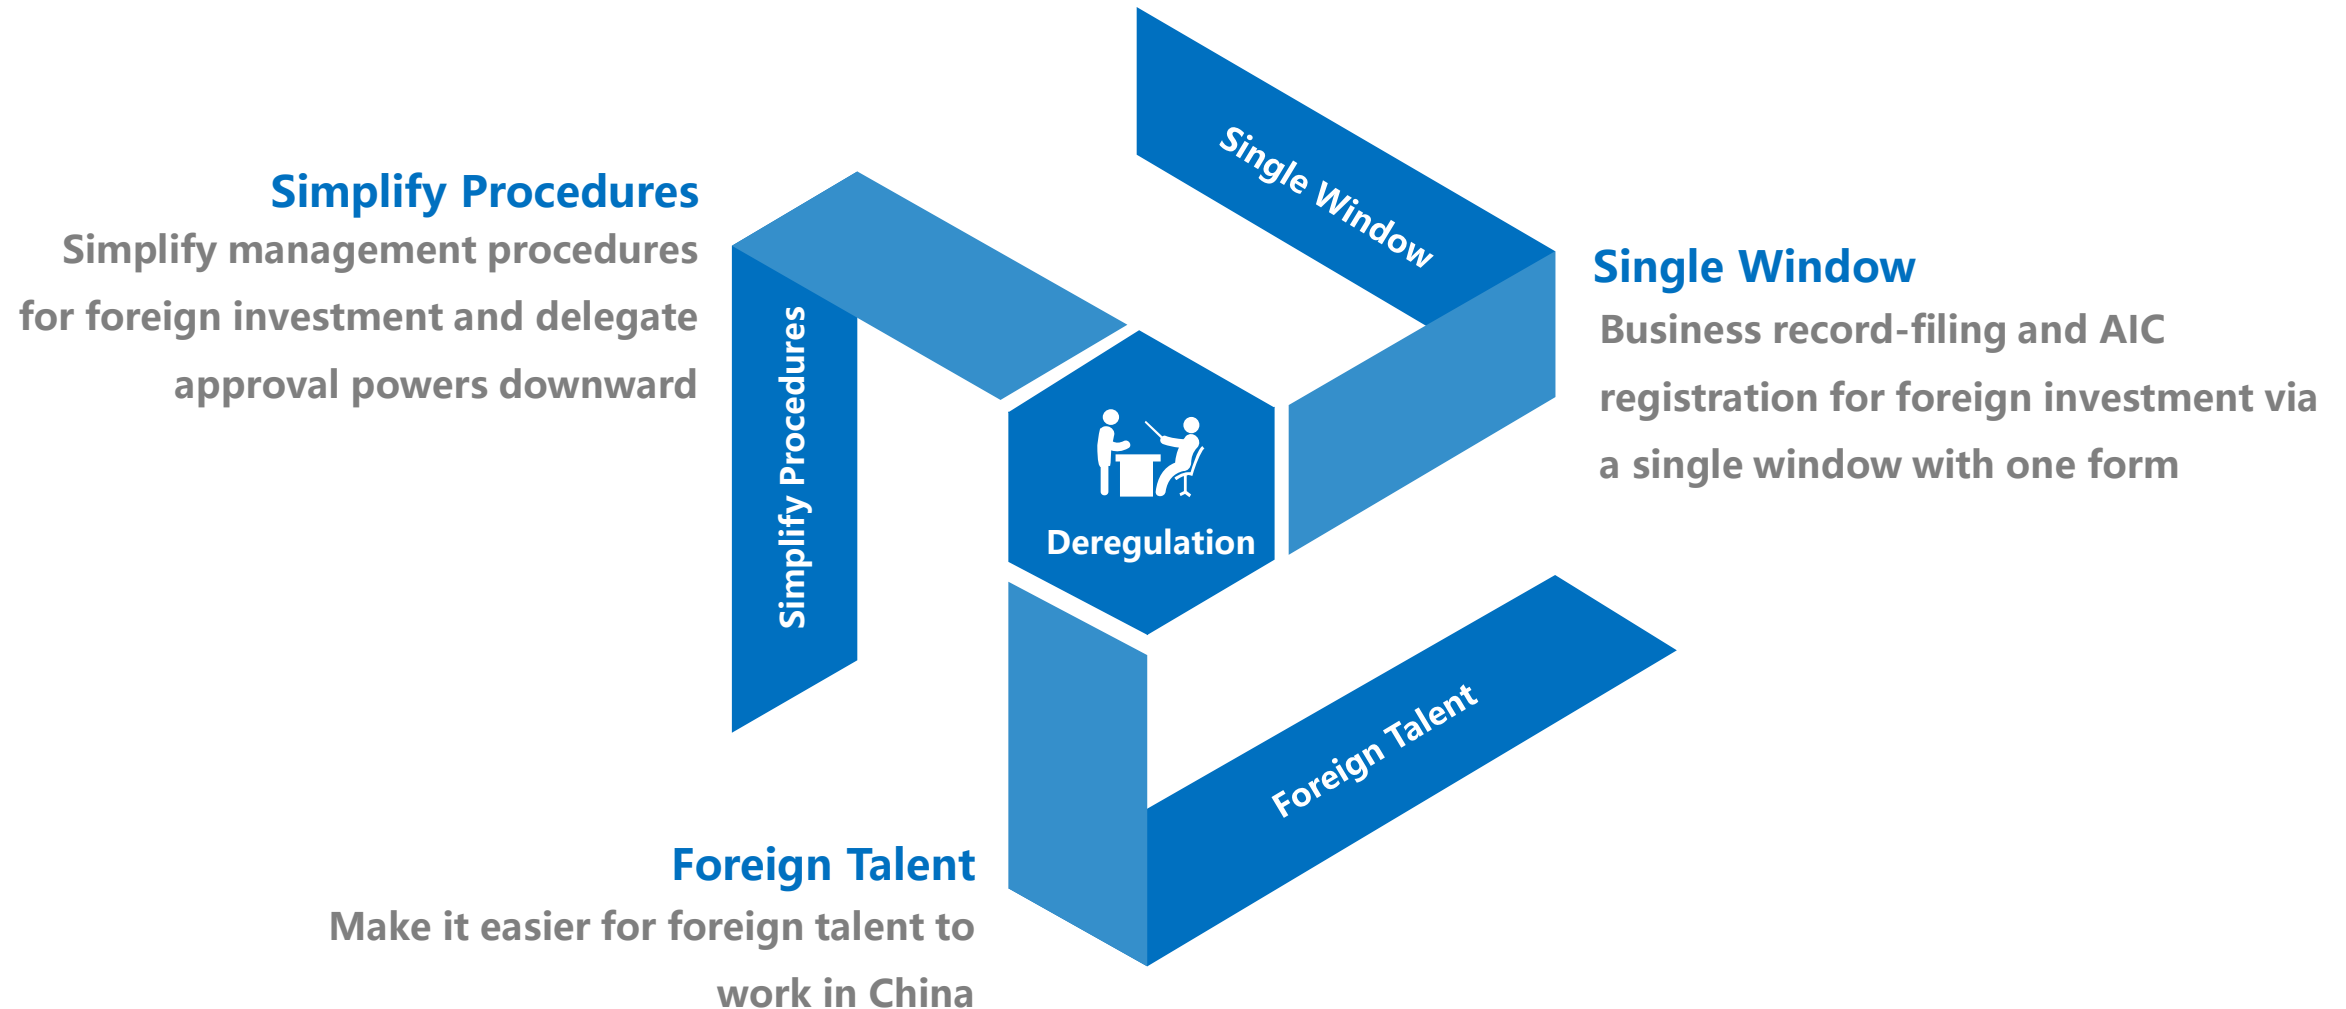

Going forward, we will further shorten the negative list to allow greater access.

In late June 2018, the amended special management measures (negative list) for FDI national market access and access to pilot free trade zones were promulgated.

## 02 Promoting Investment Facilitation with Deregulation at the Core

# 03 Promoting Investment Protection with Rule of Law at the Core

## Investment Protection with Rule of Law

**Foreign Investment Law**  
Promulgate the Foreign Investment Law

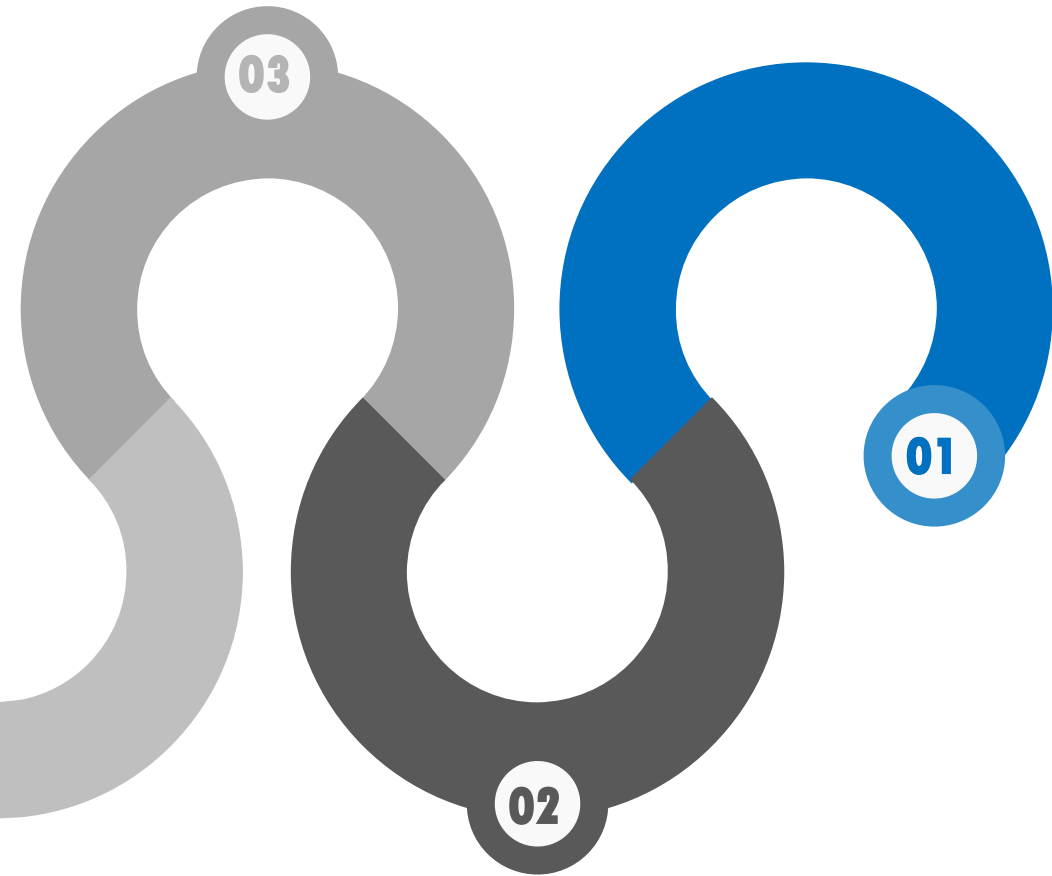

**Complaint Processing**  
Establish and improve complaint processing for foreign investors

**IP Rights Protection**  
Strengthen intellectual property rights protection

## 04 Enhance Investment Promoting with Service Improvement at the Core

### Service Improvement

- Upgrade FDI promotion services infrastructure
- Optimize utilization of foreign investment
- Reduce the operational costs of FIEs

# 05 Build Investment Platforms with Reform and Innovation at the Core

- ✓ **Pilot Free Trade Zones**
- ✓ **National Economic and Technological Development Zones**

# 06 Promote Regional Opening-up with Coordinated Development at the Core

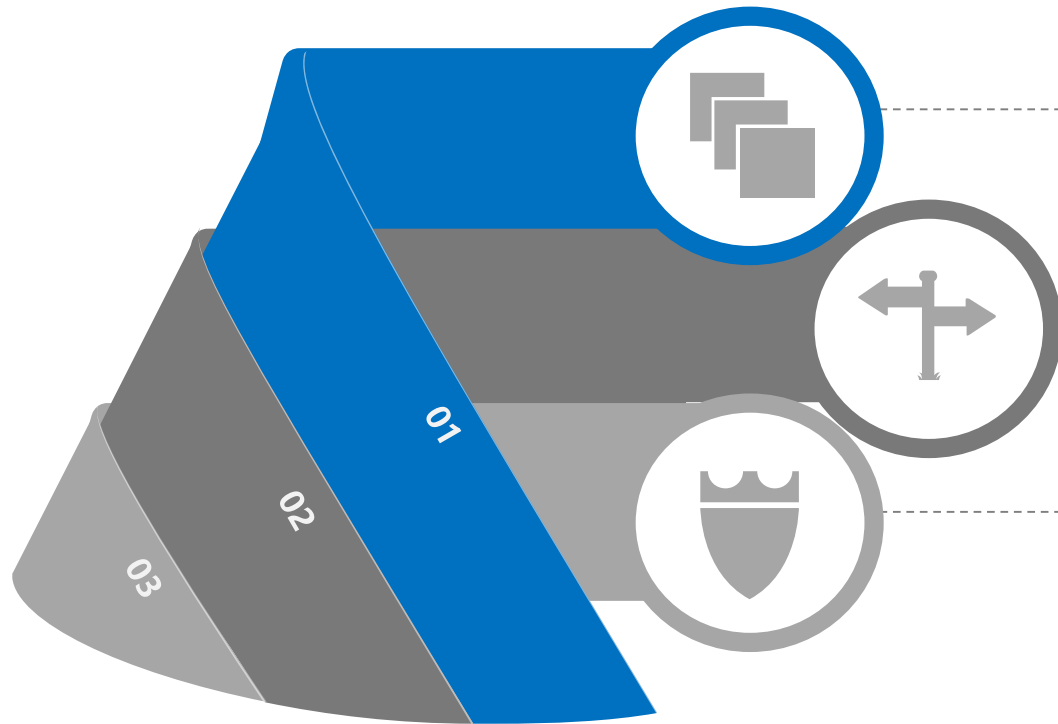

Channel more FDI to central and western regions

Promote shift of industries

# 07 Foreign Investment Law

- ✓ Define the negative list scheme for FDI
- ✓ Create a fair competition environment
- ✓ Highlight investment protection and promotion

## 08 Investment Opportunities

**Huge potential of  
consumer demand**

**Transformation and  
upgrade of traditional  
industries**

**Further reform and  
opening-up**

Thank You
