NCD investment impacts go beyond health

**ECONOMIC**
- More money for health
- Boost in GDP
- Increased workforce participation
- Reduced health care expenditure

**SOCIAL**
- Protect from financial risk of NCDs
- Increased earning capacity
- Increased life expectancy
- People become healthier
Forging impact investment partnerships for the most burdensome diseases worldwide.
Example: Israeli Social Impact Bond to Tackle Type 2 Diabetes

**Location:** Israel

**Objective:**
Treating high risk pre-diabetics with professional intervention and innovative solutions

**Outcome Payer:**
Based on reducing allowances: National Insurance Institute of Israel
Based on reducing costs: Clalit, Leumit (two of Israel’s four state-mandated health service organizations)

**Investors:**
15 Impact investors, 50% Israelis 50% International
Diverse background and motivations: Philanthropic funds, Impact funds, Commercial bank, High net worth individuals, Family offices

**Impact:**
- 2,250 high-risk pre-diabetics
