Addressing Subsidies that Contribute to IUU Fishing: Experience from China

**Bureau of Fisheries, Ministry of Agriculture and Rural Affairs
China**

1. Measures to combat IUU fishing activities

- **Strengthen fishery management system and measures**
- **Actively promote the conservation of high seas fishery resources**
- **Adopt “zero tolerance” to fight IUU activities**
- **Highlight international fishery cooperation**
- **Actively promote the accession of Port State Measures Agreement (PSMA)**

2. Handling the subsidies that contribute to IUU fishing

China firmly supports the prohibition of subsidies that contribute to IUU fishing activities.

- **Case1**
- **Case 2**

3. Conclusion

China is willing to cooperate with international community to continuously combat IUU fishing, strengthen fishery management and governance, in order to maintain the long-term sustainable utilization of fishery resources, and achieve the 2030 goal of sustainable development.
