APEC Regional Consumer Protection Framework Workshop
Session 2, 04 August 2021

Atty. Ann Claire C. Cabochan
Assistant Secretary, Department of Trade and Industry (DTI)
The Philippines
The Philippines possesses one of the longest track records of consumer protection in ASEAN.

- **1987 Constitution (Article XVI, Section 9):** protection from trade malpractices and from substandard or hazardous products.
- **Republic Act No. 7394 (Consumer Act of the Philippines or CAP):** is the principal consumer protection law.
  - Protection against hazards to health and safety and against deceptive, unfair, and unconscionable sales and practices.
  - No distinction between brick-and-mortar and online stores.
Legal Framework

• Republic Act No. 7581 (Price Act)
  o Provides protection to consumers by stabilizing the prices of basic necessities and prime commodities and by prescribing measures against undue price increases during emergency situations and like occasions

• Republic Act No. 4109 (Standards Law)
  o Provides for standardization of products manufactured and/or imported products to ensure quality and safety

• Republic Act No. 8792 (E-Commerce Act)
  o Provides the regulatory framework for legal recognition of electronic contracts under Philippine law thereby establishing the foundation for e-transactions
Legal Framework

• Republic Act No. 9285 (Alternative Dispute Resolution Act of 2004)
  o Institutionalizes the use of ADR as a way of resolving issues

• Republic Act No. 10173 (Data Privacy Act)
  o Ensures protection of personal data that are collected and processed

• Republic Act No. 10175 (Cybercrime Prevention Act)
  o Criminalizes offenses due to illegal access and illegal interception of computer data and systems

• Rules and Regulations for Consumer Protection in a Transaction Covered by CAP through Electronic Means (DTI-DOH-DA Joint Administrative Order No. 01, Series 2008)
Bureau of Philippine Standards of the Department of Trade and Industry, the National Standards Body, adopted the following Philippine National Standard (PNS):

**PNS 2155:2020 or “Technical Reference on Guidelines for Electronic Commerce Transactions”**
- Provides guidance to online businesses implementing, maintaining and improving processes and policies viz online consumer transactions

**PNS ISO 20488:2020 or “Online consumer reviews - Principles and requirements for their collection, moderation and publication”**
- Provides requirements and recommendations for the principles and methods for review administrators to apply in their collection, moderation and publication of online consumer reviews
Building an Enabling e-Commerce Ecosystem

- **E-Commerce Philippines 2022 Roadmap**
  - Increase confidence in e-commerce
  - Help create a safer environment for online consumer and merchants facilitated by a strong digital consumer and merchant protection framework

- **DTI Artificial Intelligence (AI) Roadmap**
  - Designed to, among others, improve the overall customer experience
Building Blocks in the ASEAN Economic Community

• ASEAN High-Level Principles on Consumer Protection
  o Periodic reviews of consumer protection laws and practices

• ASEAN Online Business Code of Conduct
  o Consists of 15 core commitments towards consumers

• ASEAN Strategic Action Plan on Consumer Protection
  o Voluntary peer reviews under the ASEAN Committee on Consumer Protection
  o The Philippines is the first ASEAN member to undertake the peer review
  o Establishment by each ASEAN Member State of its own Online Dispute Resolution (ODR) System
Building Blocks in the ASEAN Economic Community

• AANZFTA ongoing negotiations of the Competition Chapter which includes provisions on Consumer Protection (1st round completed)

• ASEAN Online Sale Day
  o First online shopping event that will be conducted collectively on a region-wide scale and has been held annually since 2020
  o Will facilitate AMS to promote cross-border trade through e-commerce

• ASEAN-wide Trustmark Scheme
  o One of the initiatives explored by ASEAN to implement the guidelines prescribed in the ASEAN Online Business Code of Conduct
  o ASEAN is currently working on a feasibility study for having an ASEAN Trustmark Scheme, which will become the basis of discussions by relevant ASEAN sectoral bodies
The Philippines is a member of the Joint Statement Initiative (JSI) on Electronic Commerce Negotiations in the World Trade Organization (WTO):

- In particular, the DTI Consumer Protection Group (CPG) contributes in the finalization of the text on Consumer Protection

- Shares updates and participates in discussions on the evolving legal architecture of the future e-Commerce Agreement

Complaints against online sellers without established reputation or standing – with only email address but without physical address were endorsed to NBI National Bureau of Investigation (NBI) and National Intelligence Coordinating Agency (NICA).
Online Mediation (No Face-to-Face Contact)

✓ The consumers who wish to file a formal complaint with the DTI-Fair Trade Enforcement Bureau, now have the option to participate in an online mediation conference to guarantee their health and safety and reduce contact and prevent transmission of COVID-19.

✓ Mediation is an intervention which facilitates communication and negotiation between the parties and assists them in reaching a voluntary settlement of their dispute. It is MANDATORY in all consumer complaints involving violation of the Consumer Act of the Philippines and other Fair Trade Laws.
Philippine Online Dispute Resolution System (PODRS)
DTI Department Administrative Order No. 20-05

Goals

Establish a central online facility for consumer redress

Reinforce inter-agency coordination

Harmonize the complaints-handling processes of the government

Progress

Phase 1: PODRS Assessment
Development and operationalization of consumer complaints filing, tracking, ageing, reports generation, and status updating

Phase 2: PODRS Functional Specifications and Workshop
Development of a virtual mediation conference and possible online resolution of complaints

Phase 3
a. PODRS Compliance: Data Privacy, Security, Risk Management
b. PODRS Systems Development
Linkage with the ASEAN ODR for effective cross-border redress
