USER FEEDBACK & RECOMMENDATIONS

During the 6-month's period between Jan 2008 and June 2008, 2,980 emails from the users have been logged in. In addition to the usual appreciative feedback, these emails can be grouped into the following categories:

Recommendations

- The system needs to be more user-friendly;
- More frequent update of Tariff data

Complaints

- Custom code not clear;
- Request to have updated tariff data.
- Had difficulty in finding duties code for some items;
- Out dated tariff data. And suggest to include information on preferential rates as most of the members have enter into several FTAsRTAs

Technical Assistance

- Need assistance to search tariff data by economy;
- Need assistance to retrieve the old tariff data;
- Need assistance on what is the difference on Duty Number, Duty Level and AV duty;
- Need assistance on how to understand/read the tariff data

Seeking Assistance

- Seek assistance on the explanation of acronyms.
- Seek assistance on how to apply the duty code on import items;
- Seek assistance on Mexico tariff data, suggest to have English version instead of Spanish

CONCLUSION

1. The TDB has been updated since the last SCCP Meeting. The Secretariat kindly urge the economies who have not submitted their updated TDB to do so as they are essential source of information for the APEC Business community and public in general.
2. Member economies are requested to provide Tariff Schedule updates, contact information, website URLs to the Secretariat at least once a year;
3. Member economies are exhorted to review and update with the Secretariat the contact list or any other information in this report.
