  - d. The Transition to a Low Carbon Economy (New Zealand)
- 3. Policy Dialogue (discussion)**
  - a. Energy Access (1/2) (all)
- 4. Management of APEC Support Fund – Sub-Fund on Energy Efficiency**
  - a. Report on the Energy Efficiency and Low Carbon Measures Sub-fund (EWG Lead Shepherd, APEC Secretariat)
  - b. New APEC Project Approval Process from Session 1 2018 and EWG Project Process (APEC Secretariat)
- 5. Notable Energy Developments since EWG53**
  - a. *Updates from Member Economies (all members)*
- 6. APEC Center Activities**
  - a. APERC President's Report, highlighting activities contributing to potential EWG deliverables and key policy recommendations for members
  - b. APSEC President's Report, highlighting activities contributing to potential EWG deliverables, and key policy recommendations for members
- 7. Progress on Crosscutting APEC Energy Smart Communities Initiative (ESCI) Projects**
  - a. Progress Report on Knowledge Sharing Platform (Chinese Taipei)
  - b. Progress Report on Low-Carbon Model Town Task Force (Japan)
    - i. Members to present a 2 page summary of each EWG project completed since the last EWG meeting, including recommendations for further APEC consideration or action
    - ii. Members and Expert Group/Task Force Chairs present new Project Concept Notes seeking APEC-funding for Discussion
    - iii. Members present new/planned self-funded EWG Project Proposals for Discussion

## ***Energy Security Initiative, including short-term and long-term measures (8-12)***

### **8. Emergency Preparedness**

- a. *Energy Emergency Response in Host Economy (New Zealand)*

### **9. Energy Resiliency**

- a. Progress Report on Energy Resiliency Task Force (The Philippines and the US)
  - i. Members to present a 2 page summary of each EWG project completed since the last EWG meeting, including recommendations for further APEC consideration or action
  - ii. Members and Expert Group/Task Force Chairs present new Project Concept Notes seeking APEC-funding for Discussion
  - iii. Members present new/planned self-funded EWG Project Proposals

### **10. Energy Data Analysis**

- a. EGEDA Chair Report on Activities, including Joint Organization Data Initiative (JODI Oil, JODI Gas) and completion report
  - i. Members to present a 2 page summary of each EWG project completed since the last EWG meeting, including recommendations for further APEC consideration or action
  - ii. Members and Expert Group/Task Force Chairs present new Project Concept Notes seeking APEC-funding for Discussion
  - iii. Members present new/planned self-funded EWG Project Proposals

### **11. Energy Efficiency**

- a. Progress Report including Project Highlights and completion report (EGEEC)
  - i. Members to present a 2 page summary of each EWG project completed since the last EWG meeting, including recommendations for further APEC consideration or action
  - ii. Members and Expert Group/Task Force Chairs present new Project Concept Notes seeking APEC-funding for Discussion
  - iii. Members present new/planned self-funded EWG Project Proposals
- b. Reports on Peer Review of Energy Efficiency (PREE) Activities (APERC)
- c. Progress toward Energy Intensity Reduction Goal
  - i. Data Report on Progress (APERC)
  - ii. Next Steps to Support Energy Intensity Reduction Goal (EGEEC/all)
- d. Collaboration with IPEEC (EGEEC)

### **12. New and Renewable Energy**

- a. Progress Report Including Project Highlights and completion report (EGNRET)
  - i. Members to present a 2 page summary of each EWG project completed since the last EWG meeting, including recommendations for further APEC consideration or action
  - ii. Members and Expert Group/Task Force Chairs present new Project Concept Notes seeking APEC-funding for Discussion
  - iii. Members present new/planned self-funded EWG Project Proposals

- b. Report on Peer Review on Low Carbon Energy Policies (PRLCE) (APERC)
- c. The Feasibility for Future Cooperation between PPSTI and EWG (ACABT)
- d. Progress toward Renewable Energy Doubling Goal
  - i. Data Report on Progress (APERC)
  - ii. Roadmap for achieving Renewable Energy Goal (EGNRET)
  - iii. Next Steps to Support Renewable Energy Goal (EGNRET/all)

### **13. Clean Fossil Energy**

- a. Progress Report Including Project Highlights and completion report (EGCFE)
  - i. Members to present a 2 page summary of each EWG project completed since the last EWG meeting, including recommendations for further APEC consideration or action
  - ii. Members and Expert Group/Task Force Chairs present new Project Concept Notes seeking APEC-funding for Discussion
  - iii. Members present new/planned self-funded EWG Project Proposals
- b. APEC Coal Market Report (APERC)
- c. Oil and Gas Security Initiative (OGSI) (Japan and APERC)
- d. Progress on Inefficient Fossil Fuel Subsidy (FFS) Reduction Activities
  - i. Report on Fossil Fuel Subsidy Reform Capacity Building Workshop (US)
  - ii. Guidebook on peer review of fossil fuel subsidy reform (New Zealand)
  - iii. Peer review report (Viet Nam)
  - iv. Call for Peer Review Volunteers

### **14. Energy Working Group Management and Direction**

- a. APEC Secretariat Report
  - i. Key APEC developments of relevance to EWG
  - ii. Cross-cutting map: Environmental Sustainability and Climate Change
- b. EWG Secretariat Report
  - i. Statistics on projects accomplished since last EWG

### **15. Guest Organizations' Presentations (and Discussion)**

- a. International Energy Agency
- b. International Cooper Association

### **16. Planning ahead**

- a. Energy within 2017 APEC Ministers' and Economic Leaders' statements
- b. APEC Energy Ministers Meeting

### **17. Other Issues**

- a. Other Emerging Issues by Members
- b. Participation of the Ethanol Summit of Americas (Lead Shepherd)
- c. Participation of the 5th International Forum of Innovative Solutions and Technologies for Oil, Gas and Mining Industry "Exploration, Production, Processing-2017" (Lead Shepherd)

### **18. Concluding Business (EWG Secretariat)**

- a. Dates and Location of Next Meeting (Hong Kong China)

- b. EWG54 Meeting Summary
- c. Document Access
- d. Other Business
