Gender Gap in Labor Force

Relevance - Problems

Coming of Age in the Digital Era

Digital Impact & Regional Connectivity

Elimination of geographical distance and informational asymmetry (The World Bank, 2016).

Benefit One Relevance – Benefits to Region

Importance of Entrepreneurship

Rising Employment Rate and Economy of the Region

“Entrepreneurs are widely believed to play an important role in terms of job creation” (Malchow-Møller & Schjerning & Sørensen, 2011).

“We should recognize the importance of, and systematically inquire into, entrepreneurship as a factor of economic growth” (Schumpeter, 1947).

Benefit Two Relevance – Benefits to Region

Gender Inclusion & Entrepreneurship

Greater inclusion of women in the regional economy is high on APEC's agenda (APEC, 2017).

Entrepreneurship encourages females to be innovative and inspires their talent.

Proportion of individuals' using the Internet,
by age group, latest available year (2009/2010)
