ABTC Business Process

Virtual ABTC Implementation

- Indonesia has transitioned to Virtual ABTC on July 1st 2021;
- Director of Immigration Mobility circular letter:
 - ❖ Virtual ABTC is considered equal as the physical ABTC and foreigners who wish to enter Indonesia using Virtual ABTC are only required to show their Virtual card through the apps on their mobile device;
 - ❖ Immigration clearance for Virtual ABTC holders complies with the existing regulation regarding Immigration clearance at Immigration checkpoint.
- Virtual ABTC implementation still need to disseminated to business people;
- Indonesian ABTC holders who have verified their emails are yet to receive their virtual card;
