CHEMICAL DIALOGUE CONVENOR'S REPORT TO CTI

Was quorum reached at the most recent plenary meeting? Please advise how many economies participated in the most recent plenary meeting.

- **Quorum was reached with 17 members present**

Key outcomes from your SOM3 meeting

- Held a Risk Challenge Workshop project aimed to engage officials through a tabletop exercise to work through real world challenges and discuss practical approaches to risk assessment decision making
- Received briefings on the three concept notes approved during the last project cycle
- Received reports from economies on key regulatory developments
- Discussed international work to revise the Globally Harmonized System and set up a subgroup to draft consolidated comments.

Decision points needed from CTI

- **Seek CTI's endorsement of the Chemical Dialogue's Report.**
