01

China's Experience

A stylized graphic of a city skyline with various skyscrapers of different heights and widths. The buildings are rendered in a light blue, wireframe-like style with some internal details like windows. They are positioned on the right side of the slide, partially overlapping the horizontal bands. The background consists of several horizontal bands of different shades of blue, with a white wavy shape at the bottom.

Battle against Corruption

- “no impunity, full coverage, and zero tolerance”
- “taking down tigers”, “swatting flies” and “hunting foxes”

Global anti-corruption governance

Initiatives on denying safe haven to corruption:

- APEC Beijing Declaration on Fighting Corruption
- G20 High-Level Principles on Cooperation on Persons Sought for Corruption and Asset Recovery
- BRICS Initiative on Denial of Safe Haven to Corruption
- ...

GlobE Beijing Meetings 2024

- 400 participants from 105 economies and international organizations
- Four-Point Initiative on anti-corruption cooperation
- *Beijing Consensus on Law Enforcement Cooperation and Denial of Safe Haven for Corruption*

International Cooperation

Sky Net Operation:

As of the end of 2024, 14,048 offenders had been brought back from over 120 economies, and RMB 66.62 billion, or USD 9 billion, of illicit assets had been recovered.

- 178 extradition and mutual legal assistance treaties with 83 economies
- financial intelligence exchange agreements with 63 economies
- 33 anti-corruption training programs offered to over 1,000 officials from more than 90 economies

Clean Belt and Road

- Promote business integrity
- Partner with IOs : UNODC, World Bank, the International Anti-Corruption Academy, and the Asian Infrastructure Investment Bank, etc
- *Beijing Initiative for the Clean Silk Road*

02

China's Proposals

A stylized, glowing city skyline with various skyscrapers and buildings, rendered in a light blue and white color scheme, positioned on the right side of the slide. The buildings have a grid-like pattern of lights, giving them a digital or futuristic appearance. They are set against a dark blue background that transitions into a lighter blue band where the title is located.

Multilateralism & Cooperation based on equality and inclusiveness

- seek common ground while shelving differences
- respect the sovereignty, security, and development interests of each economy
- extensive consultation, joint contribution, and shared benefits
- a community with a shared future for the Asia-Pacific region

Fairness, justice and denial of safe haven

- *Beijing Declaration on Fighting Corruption*
- Work with many APEC economies
- Zero tolerance to corruption, zero-loop-hole systems, and zero-barrier cooperation

Partnerships, effective and efficient cooperation

- Case of Zhou Jinghua: committed corruption in a Chinese company operating in Bangkok; illegally obtained Thai citizenship
- Cooperation between China and Thailand for eight years
- Thai citizenship revoked
- Extradited to China

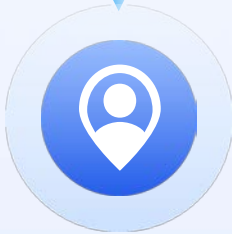

Capacity building

- Challenges: blocked channels, low efficiency, the increasingly covert means of crimes...
- Collective efforts: e.g. February workshop on Publicly Accessible Websites and Databases
- More exchanges and sharing of best practices through workshops and seminars on topics of common interest
