ABOUT THE EVENT

Bridge, Business, Beyond.

The APEC CEO Summit Korea 2025 will be held in Gyeongju, Korea. As one of the most prestigious multilateral gatherings, the Summit will bring together global CEOs, distinguished experts, and senior economic leaders under the theme "Bridge, Business, Beyond."

Our esteemed speakers will present forward-thinking insights and solutions powered by business leadership to bridge the present with a sustainable and prosperous future and beyond. This year's Summit will highlight innovative industries and emerging trends, including energy transition, digital innovation, AI, and healthcare, which are transforming the global economic landscape. Additionally, lively discussions on ways to bring prosperity to SMEs and future generations await us.

We are also pleased to introduce Gyeongju to our guests. Gyeongju is a city where a thousand-year history and rich culture of the ancient Silla kingdom come to life.
